Our dish descriptions don't always mention every single ingredient, so please check the allergen tables if you have any allergies. Our allergen tables cover the 14 allergens specified by the Food Standards Agency. Please note our restaurant teams do not hold information on any other allergens and due to the seriousness of allergies and food intolerances our restaurant teams will not be able to help select dishes. Please inform one of our team of your specific allergy or dietary requirement when ordering, even if you have eaten the dish previously. Our suppliers and kitchens handle numerous ingredients and allergens. Whilst we have strict controls in place to reduce the risk of contamination, unfortunately it is not possible for us to guarantee that our dishes will be 100% allergen or contamination free.
